Tidbits about the Wildcats.....

- Normal West returns four starters from last year in Micah Moore, Lindsey Whisenhunt, Allison Shelton, and Nikki Isaacs.
- Megan Cummins returns to the lineup after missing all of last season with a knee injury.
- Each of the last three seasons the Wildcats have had a primary player go down with an injury at the start of the season.
- The Wildcats will rely a lot this season on two freshmen - Kayla Braffet and Jessica Benchley.
- Braffet was the team-MVP for girls cross country this past fall.
- **From *The Pantagraph*:** Coach Chiaro views this season's outlook as "very promising because we've got three seniors who have put a lot of time into developing thier games and getting better. The exciting thing is we have some young freshmen who are going to contribute."
